WARRANT FOR TOWN MEETING

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Rollinsford in the County of Strafford, in said State, qualified to vote for Senators and on town affairs:

You are hereby notified to meet at Town Hall in said Town on Tuesday, the eighth (8) day of March next, at ten o'clock in the forenoon, to act upon the following subjects:

- ART. 1. To bring in your votes for the election of a delegate to a convention, to revise the Constitution of the State of New Hampshire, delegates to assemble at noon in convention at the Capitol at Concord on the second Wednesday of May 1938, as provided for, by law.
- ART. 2. To bring in your votes for Town Clerk, Town Treasurer, One Selectman and Overseer of the Poor for a term of three years, One Road Agent, and Chief of Fire Department.
- ART. 3. To choose all other necessary Town Officers for the ensuing year.
- ART. 4. To raise such sum of money as may be necessary to defray town charges for the ensuing year and make appropriations for the same.
- ART. 5. To see what percentage, if any, the town will vote to discount on all taxes, except poll taxes, paid within thirty days after approval of tax rate by the State Tax Commission, tax bills to be printed

with the date, on or before which, said taxes shall be paid to be entitled to said discount.

ART. 6. To see if the voters of the Town of Rollinsford will authorize the Selectmen to borrow money in anticipation of taxes.

ART. 7. To see if the town will vote to accept the Sullivan School House and land on which building stands, which was deeded by the School District of Rollinsford, N. H., to the Town of Rollinsford, N. H., for cemetery purposes, by Quitclaim Deed, dated May 26, 1937.

ART. 8. To see if the town will vote to raise and appropriate the sum of Nine Hundred and Fifty Dollars (\$950.00) for the purpose of extending water-mains along the Dover Road, or Broadway Extension, so-called, beginning at the end of the water-main as now laid and extending north-easterly as far as money raised will allow. (By Petition)

ART. 9. To transact any further business that may legally come before said meeting.

Appropriations will begin at eleven (11) o'clock sharp.

Given under our hands and seal this twenty-first day of February, in the year of our Lord, nineteen hundred and thirty-eight.

RICHARD T. DOE,
EDWARD J. HUDON,
WILLIAM A. HILL,

Selectmen of Rollinsford.

BUDGET OF THE TOWN OF ROLLINSFORD, NEW HAMPSHIRE

Respectfully submitted,

ARTHUR D. CARON,

Town Treasurer.

The undersigned auditors of the Town of Rollinsford accounts have examined the books of the Selectmen, Town Treasurer, Town Clerk, Tax Collector, Highway Agent, Trustees of Public Funds, for the year ending January 31, 1938 and find all cash entries sustained by appropriate vouchers and castings correctly made and footings agree.

GRACIA R. NOLETTE,

EVERETT F. TOZIER,

Auditors.

REPORT OF CHIEF ENGINEER AND FOREST FIRE WARDEN

People of Rollinsford:

At the beginning of a new year, it is customary to formulate resolutions—a look behind and a look ahead, so to speak. Generally speaking, planning for fire control problems is conceded to be costly but it would be very unwise not to plan for future fire dangers. We must not become lulled into a false sense of security simply because in the past we have been quite fortunate regarding fires and their losses. Above all things we must continue our vigilance, realizing fully all that the word implies, then cooperate to achieve and maintain the best results. The good record of the past cannot be maintained without your help, for it was attained with your cooperation.

As a whole we have experienced a successful year from the viewpoint of loss from fire. During the spring we acquired one disastrous grass and brush fire which destroyed some property of value. This fire visited our town after having originated in Somersworth and burned over a large territory and destroyed two buildings valued at about \$500.00. Our other property loss of value occurred when the well house on the farm of Mrs. H. J. Daniels partially burned. Both of these fires got their start from unavoidable causes so far as could be determined.

The doorway of the fire station has been widened by inserting a three-foot door between the two larger doors thereby adding three feet in width to the entrance. A great help in quicker response to fires. Engine No. 1 and Chemical Engine No. 3 are in good mechanical order. The truck's equipment is in good shape. We have on hand and

ready for use some 2800 feet of 2½ inch hose and 600 feet of 1½ inch leader line hose.

For new equipment we have 400 feet of 1½ inch hose, 2—Burrill All-Service Gas Masks, 2—Foamite Extinguishers (2½ gallon size), 4—Smith Indian Knapsack Pumps, 1—10-foot pike pole and 1—Porter Electric Wire Cutter.

Grass and brush fires, except as above noted, were kept at a minimum. The fire permit law was disregarded to some extent and the offenders were lucky, they just took a chance. Procure your fire permit for you will not always be so lucky and then it will be just too bad. Fifteen, out of every hundred fires start from fires kindled to burn grass, rubbish and brush. Most of these without fire permits, as required by the state laws, which puts it directly up to the party kindling such a fire to stand the expense of the damage resulting therefrom, and to stand trial if it be deemed advisable by the prosecuting officials. Some of our existing fire hazards are, dirty stove funnels, and chimney flues, thawing out frozen water pipes with open fires such as lamps, gasoline torches and lighted papers, lighted open flame tallow or wax candles, especially at Christmas time, on Christmas trees and in window displays, uncut hay-fields, children with matches and others which can and should be discouraged and eliminated. All slash near a public highway or a railroad right-of-way must, according to state law, be disposed of by the parties cutting same. Portable saw mills must be registered with the State Forestry Department before they can operate in our town.

It is contrary to state law to discard lighted cigars, cigarettes and matches from automobiles along the highways. Hunters, berry pickers and all persons entering the woodlands and pastures are appealed to exercise due caution for the protection of woodlands from fire. Elimination of many serious fires and losses resulting therefrom may be attained provided we all cooperate.

We are pleased to report an unexpended surplus of \$145.93 in our budget for the year just closed and next year's budget requirements for the maintenance and upkeep of your fire department will not be so large, barring unforeseen emergencies. Insurance of your fire trucks against property damage and personal liability should continue. Fire drills in our schools should be maintained and frequently practiced.

With utmost respect to the vast majority of our fair minded citizens who have so ably and willingly extended their support, we are sincerely thankful. To those who ridicule our best endeavors we solicit their suggestions and cooperation to the end that all may unite for the better protection of life and property from fire and with this spirit we wish all our people a bright, happy, healthy, and prosperous year for 1938.

THE ROLLINSFORD FIRE DEPARTMENT,

RAYMOND C. CHASE,

Chief Engineer and Fire Warden.

Respectfully submitted: January 31, 1938.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

TO THE SCHOOL BOARD AND CITIZENS OF ROLLINSFORD:

It gives me great pleasure to have the honor to present this, my tenth annual report, to the School Board and Citizens of Rollinsford.

No changes in the teaching force have occurred since the publication of the last report. Two of the teachers were ill for long periods necessitating the employment of substitutes. The results of the Metropolitan Achievement Tests, however, were satisfactory which proved that the substitutes kept the children "up to standard." The same testing program will be followed this year.

The enrollment of pupils has remained about the same, 124 at the present writing. See table of comparative statistics. Last June, 16 pupils were graduated from the 8th grade and the William Martell Post of the American Legion Scholarship Awards went to Barbara Cloutman and George Janetos.

There are 16 pupils attending Berwick Academy and 43 attending Dover High School.

The Red Cross is furnishing free milk to the undernourished pupils and as many more bottles are being purchased by the parents.

The Adult School, with Miss Margaret Thomas as teacher, continues in operation. Most of the pupils are preparing for naturalization.

The auditorium of the school is in almost daily use. The operetta which was so successfully given this winter shows to what a good use this hall may be put. When the school has raised the necessary funds the windows will be screened

and basketball can be enjoyed by the pupils. We are so well equipped to conduct music successfully, that I wish we could employ a music teacher. The regular teachers do what they can but to do more would be at a sacrifice of their regular work.

I have promised the pupils to ask that the District furnish a small sum of money, perhaps, \$100.00, with which to buy tools and materials to carry on the Manual and Domestic Art classes. One-half of a session each week this year has been devoted to sewing and craft work, the pupils bringing from home all sorts of discarded tools with which to work. Mrs. Agnes Webber has supervised both activities with no expense to the District. While the work has been worth while, it could be made better by making it a part of the regular curriculum. We expect to keep within the school budget this year but would like to have a small advance for next year to meet rising costs.

The American School Board Journal in its issue of December, 1937, contained pictures and a description of the New Graded School. This article was prepared jointly by the Superintendent and the Architects.

A flag for stage display was given to the School by the Parent's Club and the Garden Club has provided beautiful and fitting shrubbery. The Garden Club has also contributed money for stage fittings.

Your attention is called to the report of the School Nurse. She makes almost daily visits to the school and her assistance is much appreciated by the teachers.

In conclusion, I think that our schools are a truly cooperative enterprise and one in which all should take just pride. I desire to publicly express appreciation for the work of the School Board which has held regular monthly meetings throughout the year. The members have given freely of their time to help the teachers and have supported us all in our efforts for good schools.

Respectfully submitted,

HOWARD L. WINSLOW,

Superintendent of Schools.

REPORT OF SCHOOL NURSE

TO SUPERINTENDENT WINSLOW AND SCHOOL BOARD:

This report embodies my activities covering Rollinsford schools with 163 pupils under my jurisdiction. Total number of visits to schools from September 1936-37.

<i>Public Schools</i>	<i>Parochial</i>
Visits —155	Visits — 5
Pupils— 78	Pupils—75

Number of pupils examined—163 at beginning of school year. All defects are noted and parents are notified so that corrections may be made. Contagious diseases are checked up and kept on file with each pupil's health card.

Contagious Diseases:

Impetigo	4
Scarlet Fever	1
Rheumatic Fever	2
Mumps	6
Scabies	8

One pair of glasses secured by Red Cross.

One child taken to a physician for vaccination.

Tooth Brush drive was held; many were bought at five cents each. This was a special offer made by the Prophylactic Tooth Brush Co.

Donated clothes were given out so that it made it possible for those pupils to attend school who otherwise couldn't.

The distribution of free milk in the Public School sponsored by the Red Cross and Garden Club funds has been very beneficial.

It is indeed a great convenience in Public Schools to have a First Aid room and cot for those children who become ill during school hours. Here, the children may be kept apart from others and thus avoid the spreading of contagious diseases, until such time as they can be taken home.

The cooperation of the Red Cross, Parents, Superintendent, Teachers, and Garden Club is highly appreciated.

The school health program has for its three main objectives, the protection of health, the correction of defects, and the promotion of sound health habits and practices.

Respectfully submitted;

CHERRY O. BLEAKNEY,

School Nurse.
